Career Training Institute of Australia (CTIA) are offering this Certificate I programs funded through the VETiS.

Balunjali’s objective is to provide a set program which addresses all the necessary criteria for Certificate 1 in Tourism (Australian Indigenous Culture) in a comprehensive, cost effective and efficient format. 120 hours of study is required over a number of subjects which can be disseminated into experiential learning through participating in the camp & classroom activities.

Balunjali Interpretative Cultural Kayak Tours will be able to facilitate a tour specifically for the students to South Stradbroke Island and Wavebreak Island and share aspects of local indigenous culture within this natural ecosystem.

Over the course of a 2 day tour, training is taken out of the classroom and students are immersed in the local indigenous culture in the area, whilst completing both theory and practical training within a workplace context to emphasis the employability skills required today.

Specifically the students will learn aspects of:

- local indigenous language
- local bush tucker and its uses
- local flora and fauna and their relationship to Indigenous people
- how to build and a humpee utilising the environment's local resources
- local indigenous hunting and tracking techniques
- Information about the history of Wavebreak and South Stradbroke Islands
